

Mason School District

School Administrative Unit #89

13 Darling Hill Rd. Mason, NH 03048

(603) 878-2962 (603) 878-3439 (fax)

I am pleased to provide a reference for the Healthy Kids before- and after-school program. Our school has had the opportunity to partner with their team, and the experience has been very positive for both our students and our staff.

The program provides a safe, structured, and engaging environment for students outside of regular school hours. Their staff are professional, reliable, and committed to creating meaningful experiences that support students' social development, enrichment, and overall well-being. Families in our school community have appreciated having a dependable program that supports their needs while also offering students fun and educational activities.

From a school partnership perspective, the team has been collaborative, communicative, and responsive. They work closely with me to ensure that the program aligns well with our school environment and operates smoothly within our building. Their flexibility and willingness to problem-solve together have made them a valued partner.

Overall, the program has been a great benefit to our students, families, and school community. I would confidently recommend them to other schools or districts looking for a strong partner to provide before- and after-school programming.

Please feel free to contact me if you have any questions about our experience.

Sincerely,

A handwritten signature in black ink that reads 'Kristen Kivela'. The signature is written in a cursive, flowing style.

Kristen Kivela

Principal and Superintendent
