Verifying your identity

We will try to check your identity before Election Day, through the DMV number (driver's license number or non-driver ID number), or the last four digits of your social security number, which you will fill in Box 9.

If you do not have a DMV or Social Security number, you may use a valid photo ID, a current utility bill, bank statement, pay check, government check or some other government document that shows your name and address. You may include a copy of one of those types of ID with this form.

If we are unable to verify your identity before Election Day, you will be asked for ID when you vote for the first time.

To complete this form:

It is a crime to procure a false registration or to furnish false information to the Board of Elections.

Box 9: You must make one selection. For questions refer to Verifying your identity above.

Box 10: If you have never voted before, write "None". If you can't remember when you last voted, put a question mark (?). If you voted before under a different name, put down that name. If not, write "Same".

Box 11: Check one box only. Political party enrollment is optional but that, in order to vote in a primary election of a political party, a voter must enroll in that political party, unless state party rules allow otherwise.
