Dear Parents and Guardians,

We are excited to announce an important change to the after-school program at Birmingham City Schools. Starting on January 5, 2026, BCS will partner with Healthy Kids Programs to facilitate our after-school services across all 21 schools with current after-school programs.

Healthy Kids Programs is a nationally recognized organization dedicated to delivering high quality, engaging, and safe after-school experiences. This partnership will bring enhanced enrichment activities, academic support, nutritious snacks, and well-trained staff to support your child's growth and well-being.

What this means for your family:

- The after-school program will continue to operate at your child's school from dismissal until 6:00 PM on regular school days.
- The tuition will remain unchanged from the current fee structure.
- Many of the staff you know and trust will continue to support your child, and Healthy Kids Programs will also bring additional training and resources.
- Enrollment and registration processes will now be through Healthy Kids Programs directly. (Here is their website www.HealthyKidsPrograms.com, their email and their phone number.)
- Healthy Kids Programs is committed to clear communication and partnering closely with families to meet your needs.

We understand you may have questions about this transition. Soon you will get regular updates from Healthy Kids, and we invite you to attend one of the upcoming Meet-the-Provider Nights in the fall where you can meet Healthy Kids staff and learn more about the program.

For immediate questions or concerns, please contact Healthy Kids Programs at Alabama@HealthyKidsPrograms.com. Thank you for your continued partnership in supporting your child's success. We look forward to a great year!

Sincerely,

Dr. Mark Sullivan, Superintendent,
Birmingham City Schools
