

CANDLEWOOD LAKE ELEMENTARY SCHOOL

100 Candlewood Lake Road, Brookfield, CT 06804
(203) 775-7675

Dear Prospective Healthy Kids Partner,

I am happy to share my strong recommendation for the Healthy Kids Morning and After School Program based on our partnership at Candlewood Lake Elementary School.

Healthy Kids has been a valuable support for our students and families by providing safe, engaging, and well-organized care both before and after the school day. Their staff are professional, responsive, and work collaboratively with our school team to ensure smooth communication and consistent expectations for students.

The program offers families reliable childcare while also creating a positive environment where students can socialize, participate in activities, and transition successfully between home and school. Our partnership with Healthy Kids has been seamless, and their commitment to supporting the needs of our school community is evident in their daily work.

I would highly recommend Healthy Kids to any school community looking for a dependable and student-centered before and after school program.

Sincerely,

Dr. David Pepsoski
Principal
Candlewood Lake Elementary School

Dr. David Pepsoski, Principal
Dr. Danielle Rudl, Assistant Principal, Gr. 3-5
Mrs. Taryn Faynor, Special Education Supervisor
Ms. June Gordon, Assistant Principal, Gr. K-2
